A pair of hands, one above and one below, are shown in a dark, almost black, environment. The hands are positioned as if they are gently holding a small, vibrant red butterfly. The butterfly is the central focus, with its wings spread. The lighting highlights the texture of the hands and the delicate structure of the butterfly's wings. In the background, there are faint, glowing yellow and orange shapes that resemble leaves or flowers, adding a touch of color to the dark scene.
